Conference & Event Facilities

Featuring more than 580,000 sqft/53,882 sqm of total space, the Center is architecturally dynamic in structure and recalls the shapes and colors of the Caribbean in an elegant, modern style. The building's structure honors Puerto Rico with a sweeping roof design that mimics the endless energy of the surf. With 152,700 sqft/14,186 sqm of exhibition hall, the largest ballroom in the Caribbean and 15 meeting rooms, the Center is the largest facility of its kind in the Caribbean and Latin America.

Additional Information

Equipment Supplied By Center

The PRCC provides the most equipped preferred vendors with the latest telecommunications and audio-visual services. We are also ready to satisfy any requirement of the event organizer that is not available in-house.

Services Supplied By Center

The Puerto Rico Convention Center is managed by an unparalleled team of professionals under the direction of SMG. They are responsible for supervising internal procedures, hiring, sales efforts, and renting logistics of the Center. SMG specializes in the management of convention centers and currently operates 98% of the publicly owned exhibition space in North America operated by private companies.

Supplied By Local Vendors

Transportation and car rental, entertainment, decoration, excursions, translators, photographers.

Meeting in Puerto Rico has never been the same since the opening of the Puerto Rico Convention Center in 2005! The 580,000 sqft/53,878 sqm Center is the largest and the most technologically advanced facility in the Caribbean. It provides meeting accommodation for up to 10,000 people, all within a facility of stunning architectural beauty. It is, in a word, breathtaking. Furthermore, the Convention Center is just one aspect of the Puerto Rico Convention Center District that is being built out to include stores, restaurants and the 500-room Starwood's Sheraton anchor hotel, planned to open in late 2009. Puerto Rico is already home to many renowned hotels and over 13,300 hotel rooms.

Services Available to Planners

Information and concierge desk, wireless high-speed Internet, complete business center, catering and concessions, controllable lighting, electric and utility connections readily accessible, building security, over 1,800 parking spaces.

General Description Meeting & Event Facilities

Meeting Rooms

15 meeting rooms can be reconfigured into 28 individual breakout rooms that feature fully programmable lighting controls, integrated fiber-optic Internet connectivity and an integrated audio system with capacity for remote recording of programs.

Theatres/Auditoriums

The largest ballroom in the Caribbean features 39,500 sqft/3,670 sqm of column-free space and can be divisible in two rooms. It includes a production control balcony, integrated fiber-optic and Internet connectivity and fully programmable lighting controls.

Exhibits

The 152,700 sqft/14,185 sqm of exhibit space can be configured into three halls. It provides 22 loading docks for comfortable set-ups and tear-downs, controllable lighting as well as electrical and utility connections readily available through state-of-the-art floor boxes.
